Core Competencies

- IT Staff Augmentation and Consulting Services
- Custom Application Development
- IT Infrastructure Rollouts
- Sourcing specific and often hard-to-find technical talent
- Over 22 year of experience staffing Senior Developers (.Net, Web, eCommerce), Solution Architects, Infrastructure Architects, Subject Matter Experts (SME's), Quality Assurance resources (Testers, Analysts, Managers), IT Project Managers, IT Program Managers, and IT Technical Writers, for our clients.

Past Performance

- Key clients include Illinois Department of Children and Family Services, Illinois Department of Public Health, Lockheed Martin, Blue Cross Blue Shield, CDW, MassMutual, Pfizer, Redbox, Rotary International, Ulta Beauty, and Alzheimer's Association.
- We've built a client base of 300+ clients of all sizes that spans 35 states.
- Over the last 15 years, we've serviced an average of 23 clients per year.
- Proprietary database of over 100,000 pre-screened, pre-qualified IT professionals from all over the country.

Differentiators

- We are relationship driven. Our name "Solution Partners" was chosen to emphasize our philosophy of treating all business relationships like partnerships, which are to be nurtured over the long run.
- Our senior executive team and senior recruiters average over 15 years of experience in the IT staffing industry.
- Our smaller size provides flexibility that allows us to easily customize solutions for our clients. Decisions and approvals can and will be made quickly. No red tape!
- Our recruiting process has served us extremely well. We use a 5-step approach to ensure our clients receive qualified top-tier candidates.
